

San Diego County Sheriff's Department Internet Safety Video Questions

- What did the girl at the beginning of the video do wrong?
- What should the girl in the video have done differently to be more safe?

- When you put a picture on the internet, can you easily get that picture off the internet?
- Is it true that only people you know or are friends with can see what you put online or on social media?
- If someone on the internet makes you uncomfortable, what can you do about it?
